DIVISION OF SOLID WASTE
FRANKFORT, KENTUCKY 40601

On June 6, 1977, I accompanied Mr. Ross Singleton, Division of Hazardous Material & Waste Management to Bullitt County. We first went to the property of Mr. A.L. Taylor. There was no activity at this site at the present time. /

We then proceeded to Smith's Landfill (Permit #015.05) and talked with Mr. Harlan Smith. The site is in operation. The permit expired on March 15, 1977.

We then went to Bullitt County Fiscal Court Landfill (Permit #015.01). It also is in operation. The permit expired on March 14, 1977. The operation there looked fairly good, with a few improvements needed. Since the availability of cover dirt is questionable, a new site must be found very soon. I will be in contact with the County Judge in the near future, and will keep you informed as to progress.
